

April 26th

Dearest Mum -

Well - I am to stay on for two more -

Thursday eve. 25th + Sunday am. 28th - Then he Campos is hoping that a 6th very popular will have to be given! I, by the way see there is a fruit boat line, which sails irregularly, only 5 days direct to N.Y. \$90 American - so if only I can catch one of these it would be fine - There are 2 going this coming week - We would probably be the only passengers! They say good food + clean - converted yachts - how you would enjoy that! But they all say at this time of year it is lovely smooth weather - I played fine!

Ravel had to be repeated - + the 2 Spanish (Andaluzia + Navarra) had immense success - I was a bit leery over them for Mexican audience - They are so critical of a foreigner doing their stuff - but people arose + yelled! + I had difficulty in not repeating Andaluza - After Navarra three encores,

Ave Maria! Dancing Doll, + Chopin D Nocturne - not too heavy - had three recalls after the latter -

apparently we cramped the style of the play for the English too! Their hall not good - I now have ~~the~~ \$110 American in my possession + 3

more to come - so it looks a little more hopeful - I've had more success in 2nd concert than Casals, + his last recital had to be in the Bull ring! so I hope! I'll not try to write details

but keep a record of everything & then tell you properly.
Lunch yesterday Mrs Gore - 14 ladies - she had a
silver bowl (Mexican little one about finger bowl
size) at Mrs W's & my plates - and further at
mine a little fiddle - with coloured inlay - the
darlingest little thing you ever saw!

Mrs Morow & her sister cut the play & came
to the recital - told several they never enjoyed a
concert so much! Last eve. Mrs Conway
took me to the films! Colman in the Rescue,
& a restaurant first - just impromptu, an
American lawyer & his wife, & in the restaurant
we gathered up Major Kenyon-Slaney, who was
alone & very willing to be gathered up - very
agreeable, British of course - then we all went
to the Americans for cognac (!) but they have
the loveliest house of Spanish things you can imagine -
exquisite. Chests brocades etc make one's mouth
water -

By the way I've been guest of
honour every meal, except her old beau Mr Honey-
munt that he irritating? After the concert

Thursday we went round to the Browns for
ten minutes (our Councillor of Legation) I thought
it was good to do - the invitation came through
the Col Mitford who was the hero in the play - Mrs
W. met him at lunch & also the Major R.S. They
urged her to bring me, so I went - met several
nice people - including our elusive minister - the

latter has not taken any notice of me, but has offered his house at Cuernavaca for a week end for us all 3, or lunch there! No call - isn't he weird? However they all seem to be talking heartily about us so that is alright - Today lunch with the

Press Assn: Dubose + Frau - & tomorrow morning Strauss + Mendelssohn - seems to be first performance of Strauss here - & Bruch has only been heard once or twice - public loves it but too difficult to play!! My next programmes are to be, 1st Lalo + Brahms D minor, 2nd Bruch

* Bach Chaconne! Group for first, Goldmark Andante, Monsigny, Debussy Fille, Slavie Dvorak (one I did at Kansas) & Habanera - Then the Chaconne one, Hebrew

Prayer, Brahms Dance no 4, Vogel als Prophet, La Gitana & Gypsies - Do you approve - don't care!!! It seems a long time to stay away, but good

big, & we can make a lot out of it & it is the only way to perhaps make a little money, they all say one has to play & play - they are all so suspicious at first - & I knew you wouldn't really mind - sounds so good -

mind you tell Gruppas + Krauers - I don't see anything those people will like that I can get - perhaps later - I really don't get time to shop -

My green dress great success yesterday ^{with white supplies} - & the red one Thursday eve was the nicest one I've had for a long time I think - The usual crowd

Handwritten text on a piece of aged, yellowed paper, likely a letter or document. The text is written in cursive and is mostly illegible due to fading and the condition of the paper. The paper is folded, with visible creases and a small tear on the right edge. The text is arranged in several paragraphs, with some lines appearing to be part of a list or a series of points. The overall appearance is that of an old, possibly historical, document.

cheered - & about 15 youths came in the artists
room, pupils of that old Saloma (fiddler friend of
Mr Ws) he was very nice - & another old fiddler
came in & kissed the fiddle! Sweet it was!
Such compliments you never heard - & they
shout lots - just like a Russian audience -

It seems they hiss & leave when they don't
like it!! Pitch lovely - nice Germans as
Wagner & Levens! They might be English to look at -

Campos is now trying for the President - either he
to go there or he to come to a recital -

Have sent a p.c. to Craustons - (W. peg)

Now I'll go practice - Then play with Mr W. - this
afternoon is free - I feel well - full of energy.

but every little while have to put my dinner
down the drain! They all say that is altitude
but no more palpitations thank goodness -

Much love -

Kathleen.
